just 5 minutes drive from

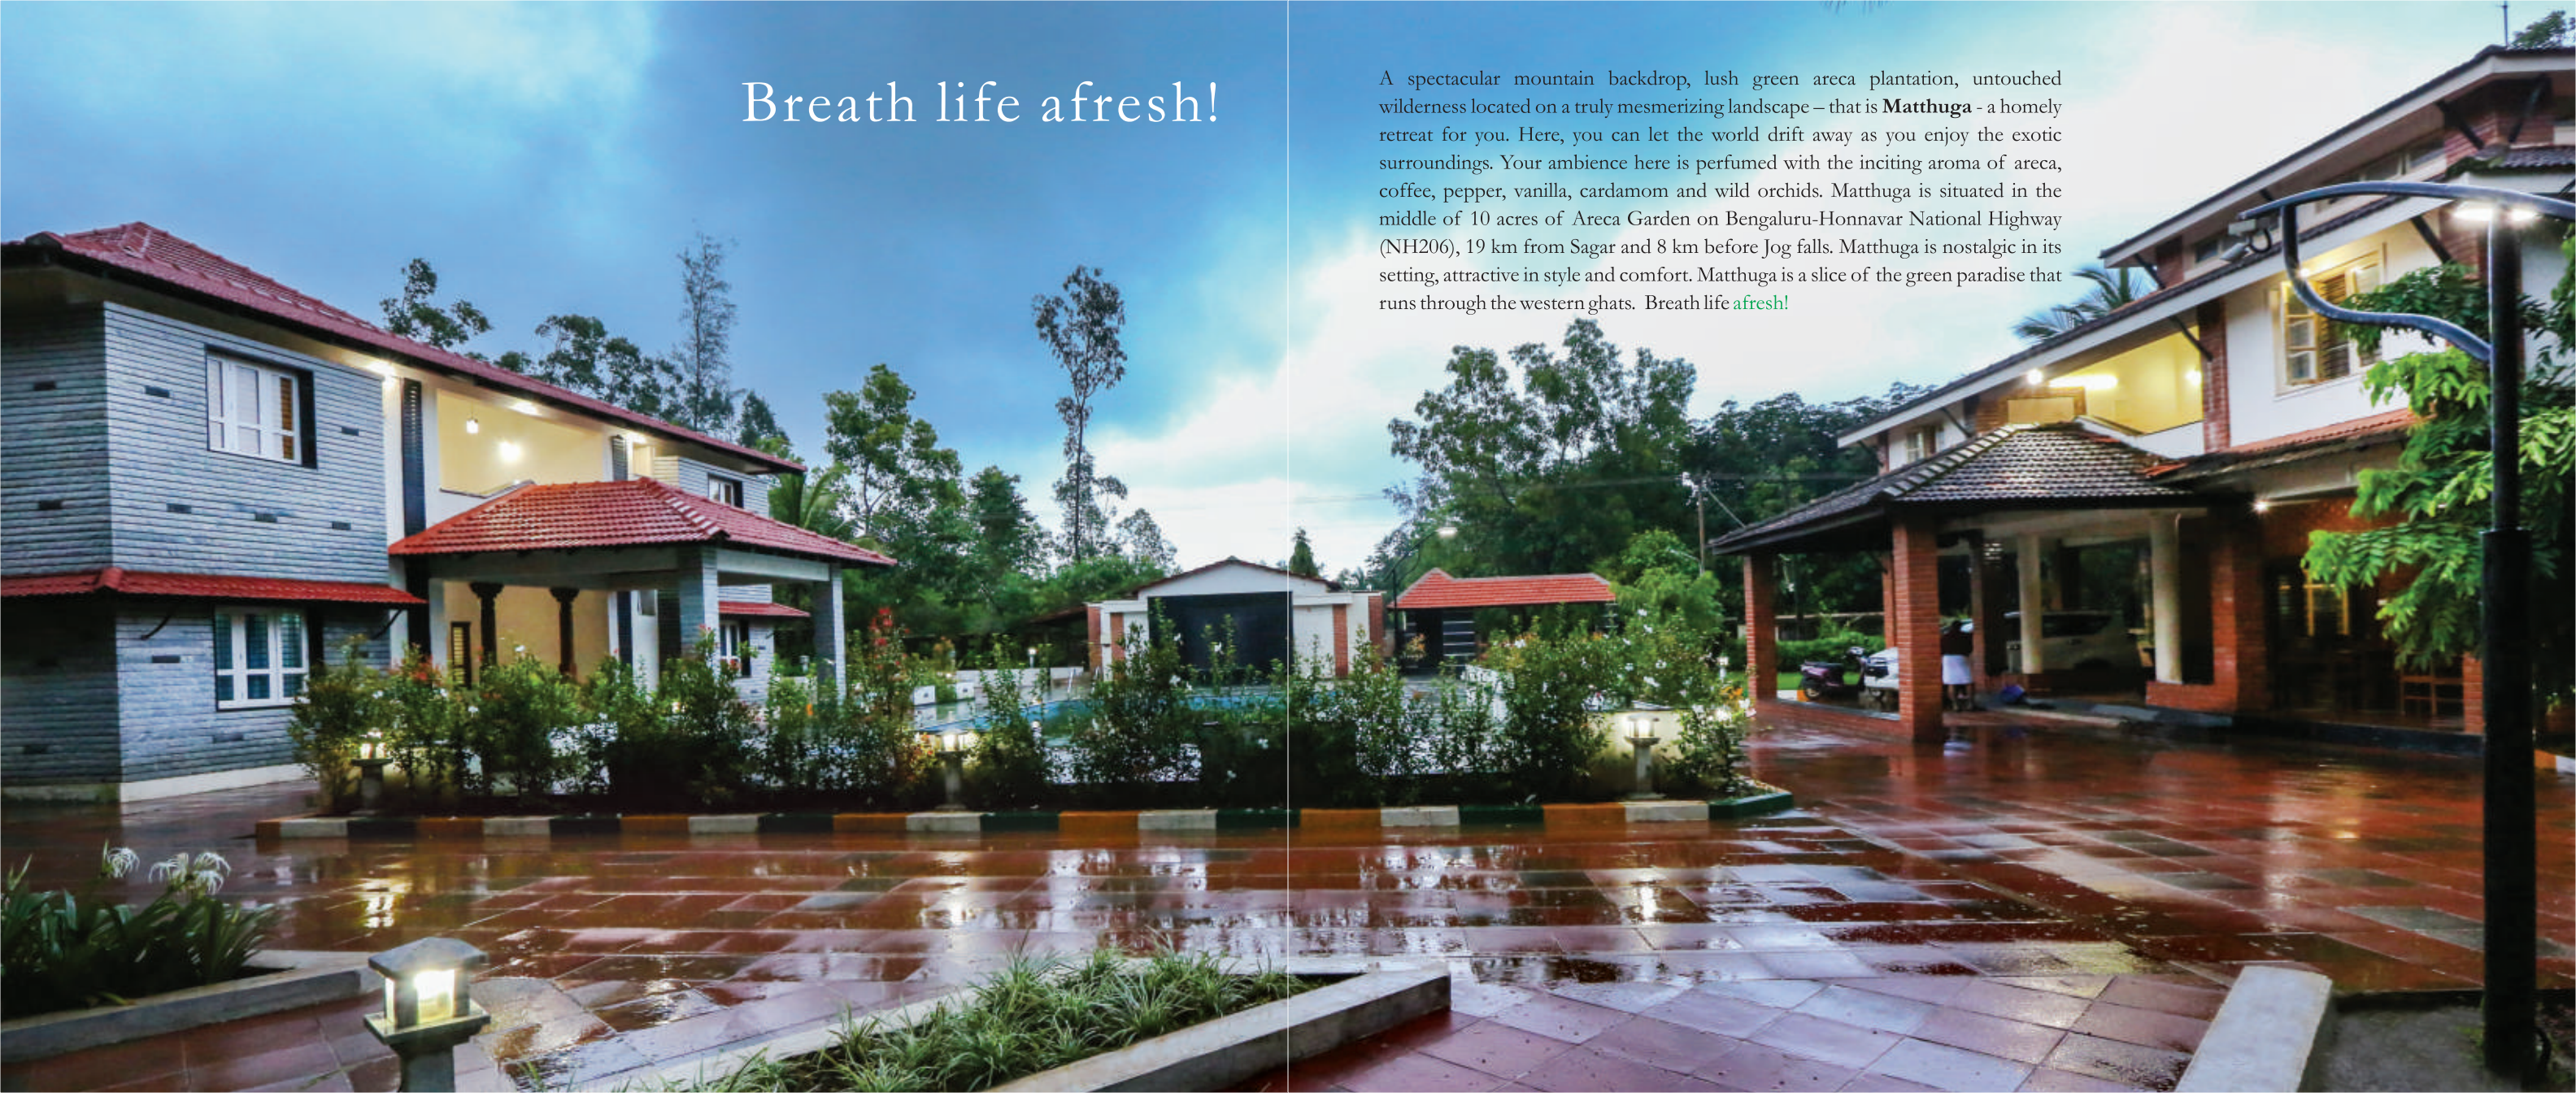

**Matthuga**  
a homely retreat

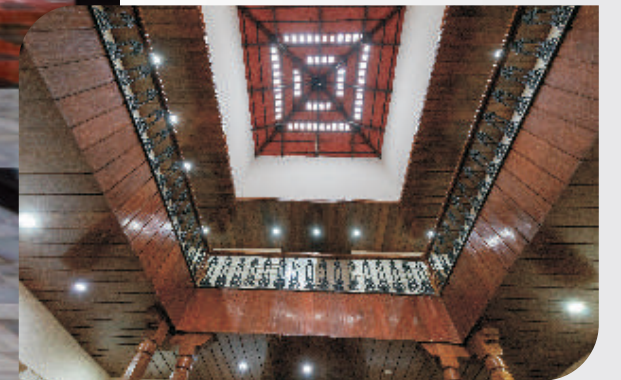

Breathe life afresh!

A spectacular mountain backdrop, lush green areca plantation, untouched wilderness located on a truly mesmerizing landscape – that is **Matthuga** - a homely retreat for you. Here, you can let the world drift away as you enjoy the exotic surroundings. Your ambience here is perfumed with the inciting aroma of areca, coffee, pepper, vanilla, cardamom and wild orchids. Matthuga is situated in the middle of 10 acres of Areca Garden on Bengaluru-Honnar National Highway (NH206), 19 km from Sagar and 8 km before Jog falls. Matthuga is nostalgic in its setting, attractive in style and comfort. Matthuga is a slice of the green paradise that runs through the western ghats. Breathe life [afresh!](#)

# East Bungalow

Newly built, beautifully designed with stone cladding exterior and a rustic courtyard. Consists 12 luxury rooms with attached bath and western commodes.

# West Bungalow

Beautifully designed with ethnic exterior with two conference halls.  
Consists 6 luxury rooms with attached bath and western commodes.

# Club Rooms

Our Club Rooms are one of the most spacious, with a neo-modern look, have all contemporary decor, built with an eye on every minute details. There are four Luxury Rooms with two king size beds in each room, carefully crafted to the need of our guests, making it perfectly suitable for a family.

Stay at our Club Rooms are bound to be a treat!

# Club Rooms

# Luxury Cottages

The ethnically designed cottages at Matthuga will give an amazing experience of residing close to nature.

We have 5 independent cottages in the middle of the farm, so you can be pampered by the lush greens. Each cottage will have two independent rooms with no common walls and every room has an attached bath with western commode and a private sit-out.

## Things to do @Matthuga...

### Corporate Activities

Matthuga is an ideal place to conduct various activities by the corporates like meetings, conferences, get-togethers, brainstorming, team building, workshops and other training programmes or just a stress buster for your top management team.

### Trekking

Ranging from 1-2 kms to 25-30 kms. Through a thick forest/hills to a moderately dense forests/hills or a plane back water shores.

### Nature/Plantation Walk

You can take a walk in 10 areas of our Areca Farm with inter crops like cordonom, banana, vanilla, pepper, coconuts, coffee, mangoes etc. Or take a long walk amidst paddy fields, Areca Gardens, rubber plantations etc.

### Bird Watching

You can watch thousands of birds of Western Ghats in and around our farm. Why only birds, you could watch the entire wildlife of western ghats like wild animals, birds, snakes, insects and other creatures.

### Farming

You can also watch/participate in various farming activities of malnad areas.

### Night Walking

You can experience the mesmerizing nights of forest areas with deadly silence of the nature or rarest sounds of many birds, animals, insects etc.

### Short Trips

We can suggest and assist you to have short trips of a day or two to the nearest farms, temples, back water shores, hills, forests, water falls, wild life sanctuaries, historical places, sea shores, hill stations etc.

### Do Nothing !!

Don't do anything. Be away from your cellphone, TV, newspaper, internet etc Just spend your day quietly without any activity peacefully being with yourself, introspecting, meditating etc.

Just be with YOURSELF ...

## Farm

Take a walk in our farm, caress the cows in our natural studios, explore the areca plantation. It's a green world that is awaiting your arrival. Matthuga is the finest homely resort in the sahyadri belt of malnad, karnataka. Stay at Matthuga, exhale your worries and reconnect with nature to enjoy the ecstasy life.

## Farm Tents

You can also Stay in comfortable tents in the middle of farm.

Tent size: 197cm X 210cm  
Foam mattress, pillows, and sheets will be provided.  
Suitable for hikers, campers and adventure lovers

Each tent can accommodate 1-3 people.

## “ Guest speaks.....

A beautiful environment, excellent food and very pleasant persons! We would like to come again and recommend to others.  
- Sudha Murthy, Infosys Foundation

It was really amazing to stay at this guest house, specially food, which we can not forget. we will always remember this tour and your sweet and quite guest house and the beautiful moments we spent in your Homestay.  
- Leena Sareen, WIPRO Technologies

It was our pleasure to visit Matthuga for new year celebrations. I am very glad to inform you that we had a fantastic time during our stay. There was no reason to crib or cry about the facility or hospitality. It was simply great.  
- Ambarish, SAP Labs - Bangalore

Our stay at matthuga was really a memorable... We liked all the facilities provided...  
- Vinila.M, Huawei Technologies

We had a wonderfully relaxing stay at your resort. The staff were very polite, helpful and friendly. The food was plentiful and all delicious. The home-stay location was wonderfully decorated and set in beautiful gardens and very peaceful. I would definitely recommend it to anyone.  
- Pete Rowlinson, United Kingdom

The entire idea of having a homely retreat so close to so many beautiful places in Shimoga district is in itself a plus point. Added to that is the wonderfully made architecture with spacious rooms and well made bathrooms. Mr. Narahari and team are simply amazing in hospitality. It was very memorable and will surely suggest to one and all.  
- Narasimha Murthy, Infosys Technologies Ltd.

Good Entrance, Very well illuminated, Many options for guests to sit private (you have balcony in 1st floor, canopy, some sit outs next to the gate) though being under one roof, No TV, Clean and tidy, Very good food, Good landscaping design. Care takers are kind by heart, they were giving good service to all of us.  
- Nataraj S, Keane, Director - Infrastructure Services

We are coming up with a new project at Nittur, by the National Highway 766C, on the foothills of Kodachadri Hills. Like the one here, the new one is also going to be nested in a lush green areca farm. The new resort at Nittur is going to be a combination of Luxury Cottages, Dormitories and Camping Tents with standard amenities such as swimming pool, Indoor and Outdoor games. Ideally located, near by are many famous destinations namely Kodachadri Hills, Hidlumane Falls, Kollur Mookambika, Sigandur, Marvanthe, Kundapura etc.

**Matthuga@Kodachadri is scheduled to be open for tourists by June 2023.**
